

East Wake High School

2017 Summer School

Application Information

Thank you for your interest in applying to attend the 2017 East Wake High School Summer School program. A student may be offered the opportunity to enroll in a maximum of two (2) credit recovery courses. Students offered the opportunity to earn two credits will be required to attend the morning and afternoon session. We have a limited amount of seats available for summer school this year. In addition to reviewing a student's attendance, discipline, and academic history, the following criteria will be considered to determine which students are offered the opportunity to attend summer school this year.

Students are admitted in the following priority order:

1. Seniors needing a class to graduate (2017)
2. Juniors needing a class to graduate (2018)
3. Sophomores needing a class to be promoted
4. Freshmen needing a class to be promoted
