

6th Grade Families:

Please join us on Thursday, July 21 at 1:00pm for our Mountain Lion Climb. We will all gather in the gym. You will receive a map and a destination along with a folder containing your child's schedule, the 6th Grade Newsletter, Teacher Wish Lists and all the beginning of the year forms that we need from you.

At 1:15, Dr. Jordan, Mr. Squires and Ms. Mondora will provide a brief overview and welcome. At 1:30 all families will transition to the sixth grade hallway.

At 1:40, the sixth grade team will present a brief overview for families and provide an opportunity for questions. The team will have computer stations available for volunteer registration. There will also be representatives on hand from transportation to answer questions.

Registration stations and transportation representatives will be available until 3. Once the teachers complete their overview and the questions are answered, families are free to walk their schedules. We look forward to seeing you!
