Greetings ECMS Parents and Students,

SSA Nominations: Parents if you are interested in nominating your son or daughter for Single Subject Acceleration, please visit our website and contact the appropriate school personnel for additional information.

PTA No Fuss Fund-Raiser: Our PTA No Fuss Fundraiser has been extended to April 28 for parent contributions. Please visit the ECMS PTA website to see how you can continue to contribute to their efforts of investing in East Cary Middle School for our students and teachers. [PTA No Fuss Fundraiser](#)

New Carpool Traffic Patterns: Beginning April 24, traffic cones will be placed in the carpool lane near the exit of the school to prevent left turns being made out of the school parking lot, during AM arrival. This is due to the ongoing traffic concerns on SE Maynard Drive and for the safety of our students. Please make sure you are mindful of this new pattern as you are exiting our campus daily.

School Library Month: Let's remember that the month of April is School Library Month. Let's continue to highlight all of the work that is put into making our Media Center a welcoming environment for all students and staff, by sharing the way our program empowers students. Please be sure you visit our website to see what is happening in East Cary Middle School's Media Center.

EOG Testing Schedule: The EOG/EOC Testing schedule for all tracks have been posted to our website. Please review and contact our testing coordinator, Mrs. Jenee' Ethridge with additional questions.
