Greetings Parents and Students,

STEM Week: Many teams, departments, and classrooms will be integrating environmental themed lessons all week! Teachers will review the Stem Activities and celebrate within their classrooms, teams, and school-wide. We want our students to have fun with STEM week, our novel *Seedfolks*, and the environmental theme.

School Communication: On May 1, you will receive notification from WCPSS about the new school notification system that will be used when receiving communication or school announcements. Each parent will have the opportunity to opt in for a text message or an email.

SSA Nominations: Parents if you are interested in nominating your son or daughter for Single Subject Acceleration, please visit our website and contact the appropriate school personnel for additional information.

PTA No Fuss Fund-Raiser: Our PTA No Fuss Fundraiser has been extended to April 28 for parent contributions. Please visit the ECMS PTA website to see how you can continue to contribute to their efforts of investing in East Cary Middle School for our students and teachers. [PTA No Fuss Fundraiser](#)

New Carpool Traffic Patterns: Please make sure you are mindful of our reinforcement of the traffic pattern of turning right when exiting our campus. This is being done in an effort to ensure our students and other students who pass our campus are safe, and help with the flow of traffic as well.
