

**April 30, 2017**

Greetings Parents and Students,

**Teacher Appreciation Week:** Parents on this week we will celebrate our teachers! Please take a moment to recognize your son/daughter's teacher by completing our Educator on the Rise Recognition form. Your kind words will be shared with each teacher nominated. You can access the form embedded within our announcements or under the announcement icon on our school's website. [Educator on the Rise Recognition Form](#). Let's make sure our teachers know we appreciate their work with our students!

**School Communication:** All students on track 1,2, and 4 received a letter on Friday about the new school notifications that are being implemented to help streamline all communications and allow parents to opt in for the type of alerts preferred. On May 1, you will receive notification from WCPSS Communications Department about the new school notification system that will be used when receiving communication or school announcements.

**EOG Testing Proctors Needed:** East Cary Middle School is using Volunteer Spot to organize our upcoming needs for EOG Proctors. We are in need of many proctors to make testing run smoothly. Proctors must be registered and cleared by WCPSS to volunteer in the classroom. If you have not already registered as a volunteer, please come into our school or any other WCPSS to sign up to volunteer. Please also ask around to see if any other person can assist and sign up today!

**EOG Dates Proctors Needed: Track 1: May 24 –June 2 and Track 2, 3, 4: June 19 – 29**

**What's Happening @ ECMS this week:**

- Tuesday:5/2- Jr. Beta Club, Science Olympiad Meeting
- Wednesday:5/3- Boys Soccer vs. Reedy Creek (Away), Fellowship Christian Athletes
- Thursday:5/4-New Student ECMS Extravaganza (5:30pm) Coding Club, Steel Drum Performance

**We appreciate your continued support** of our staff and students at ECMS as we continue to **REMIXX learning and teaching for the students at East Cary Middle School.**

Please reference our website for additional information on the meetings and events occurring on our campus each week, follow us on Twitter @eastcarymiddle. Please let us know if you have any questions or concerns that you would like to report.

**Make it a Phenomenal Week and Go IMPS!**

**East Cary Middle School.... where we are Educating Tomorrow's Leaders!**
