Greetings ECMS Parents and Students,

School Library Month: The WCPSS Instructional Technology and Library Media Services are celebrating the essential role our school libraries and school library media coordinators play in transforming learning and supporting student achievement. Our Media Coordinator, Mrs. Harris, does a great job facilitating lessons, supporting teachers and students, in her role as our Media Technology Facilitator. Let's highlight all of the work that is put into making our Media Center a welcoming environment for all students and staff, by sharing the way our program empowers students. This can be done on Social Media with the official hashtag #slm17 or with words of affirmation.

Registration for 17-18: Please make sure you review the registration forms and return them back to school as soon as possible. Please continue to monitor our Student Services website for additional information about registration.

EOG Testing Schedule: The EOG/EOC Testing schedule for all tracks have been posted to our website. Please review and contact our testing coordinator, Mrs. Jenee' Ethridge with additional questions.

BYOD Reminders: Parents we will continue to reiterate our expectations with students for BYOD at ECMS. Students must remember to use their device only when teachers have given permission to use for instruction during their class. Other unauthorized use in the classroom or around campus, will be handled according to our current electronic device guidelines.

Dress Code Reminders: Please remember as the temperature continues to rise, all students are asked to continue to follow the dress code guidelines. Any student who does not adhere to the expectations will be addressed according to our current dress code guidelines.
