Knightdale Career Academies

Knightdale High School Of Collaborative Design

Institute of Government and Global Inquiry

Career academies are personalized small learning communities within KHSCD made up of a small group of students and teachers for a three-year span. Academy classes are usually blocked back-to-back in the daily schedule, and students attend them as a group. Students are able to complete academy requirements within the regular school day, with the exception of work internships. *Knightdale Career Academies are open for rising Sophomores (class of 2018) to apply before April 1.*

All Academy Students benefit from:

- 1. Small learning community
 - Preferred scheduling in recommended courses for academy students
 - Follow the same group of students with the same teachers for four years!
- 2. Seminars and site based learning activities
 - Students are exposed to a variety of careers and essential career skills.
- 3. Career Readiness
 - Practice with interview and soft skills to prepare for a future career.
- 4. Internship
 - 135 hours of practical work experience before you leave High School.

The KAES Career Academy is dedicated to preparing students to make knowledgeable career choices through work-based experiences and applications of current environmental issues.

KAES Concentrations:

- Animal / Equine Science
- Plant Science
- Food Products & Processing

The KAPS Career Academy will develop and guide interested students toward a career in public safety through academics, personal development and indepth education which will prepare the students to be college and career ready.

KAPS Concentrations:

- Fire Management Services
- Law Enforcement / Legal Services
- Emergency Medical Services

For additional information about either of our career academies, please visit our website:

http://knightdalehs.wcpss.net/careeracademy

Rising Sophomores (class of 2018) are welcome to apply online to our career academies by **April 1**:

http://bit.ly/kaes-kaps

^{**} Questions about KAES or KAPS can be addressed to Mr. Duncan in room 2515. gduncan@wcpss.net 919-217-5398

In compliance with federal law, Wake County Public School System administers all education programs, employment activities, and admissions without discrimination against any person on the basis of gender, race, color, religion, national origin, age or disability.
