

November 28, 2016

Good Afternoon Powell Families, this is school Principal Curtis Brower with your weekly school message.

Tomorrow is our fall picture retake day. This is a retake for any student who was absent or wishes to have their picture retaken for the school yearbook. We will also be taking club pictures tomorrow. If your child is in a club, their group pictures will be taken tomorrow.

Come out tomorrow evening for our next PTA Spirit night at Zaxby's in Knightdale. Dine in or go through the drive through. Be sure to mention that you are with the Powell PTA. A percentage of proceeds come back to support our school PTA.

Wednesday evening at 6:00 PM is our next Family Academy. The topic is "Today's Math, I didn't learn Math like that." Come to the Powell Media Center and get some tips if you are struggling to help your child with Math at home because we all know we are learning Math in some very different ways today. Childcare and homework help will be provided for children ages 4-13 years old. The presentation will be available in English and Spanish. See you Wednesday evening at 6:00 for Family Academy.

Friday is our next early release day. PTA will once again be providing our staff with another fabulous lunch. They are looking for support from 2nd grade parents for this luncheon. Please visit the PTA website and sign up for donations or your time. Please remember that all students should be picked up at 1:15 on Early Release days. Thanks for your continued support.

Next week, please plan to attend our next Principal Coffee or should we say Principal Tea on Friday, December 9th at 8:45 AM. Come meet our VIF, which stands for Visiting International Faculty, Kindergarten teacher Ms. Hannah Hollingworth. She will be sharing information about her culture and British schools. We look forward to seeing many of you here.

See you tomorrow night for Spirit night at Zaxby's in Knightdale!

Have a great week!
